THE NEW MAGEE FURNACE,

The Boston Heater.

The selection of Heating Apparatus should receive most careful attention. A good furnace is a blessing, but a poor one is a curse.

Send for a descriptive circular of the Magee Furnaces, and read what the users say about their merits. They are the most carefully constructed, the most powerful heaters, and the most economical of any in the market. We warrant them absolutely gas and dust tight, and to give perfect satisfaction in every particular.

In event of your intention to publish a catalogue of your goods, we wish to call attention to our facilities for doing such work artistically and satisfactorily. We have associated with us some of the best artists and designers in the country. Our printing is of the most perfect quality, as the pages of our Magazine show, and with these advantages it is reasonable that we should produce work superior to that generally done.

We solicit your orders for anything and everything in this line you may have, designing, note heads, cards, advertising schemes, photo and wood engraving, etc., or the production of bound catalogues. Our prices are proportioned to the result, for the same money we will give you something certainly better than you can get elsewhere, and for a reasonable amount more we will give you what can be had nowhere else. In either case we guarantee satisfaction.

The Gowing Carpet Sewing Machine.

The attention of the Carpet Trade is solicited to this

NEW AUTOMATIC CABLE FEED MACHINE,

Working in combination with table arranged with matching plates, perfecting a system requiring NO lifting of machine or carpet, sewing Ingrains, Tapestries, Brussels, Wiltons, Moquette, etc., with equal facility; also sews Borders and Mitres complete, making a solid seam superior to hand work which will lay perfectly flat. The machine was first put in operation in 1883. Now in use with leading houses throughout the country, to whom we can refer.

MILWAUKEE, May 14, 1886.

The Gowing Carpet Machine we purchased two years or more ago, we have kept in constant use, and have found it has all the merits claimed. The seam is elastic and durable; when carpet is laid the seam is flat and more perfect than hand sewing. The machine gives us perfect satisfaction in every particular. The work also gives the best of satisfaction to our customers.
